## **Vital License Renewal Information**

June 26, 2017

The State of New Hampshire is in the process of updating their Licensing System Software, which has been in use since approximately 2003. In order to accomplish the changeover, the computer system will be down from August 3, through August 8, 2017. **The Division of Liquor Enforcement & Licensing will not be able to process any licenses during this time frame.**

In order to avoid any delays or interruptions to your business operation we encourage you to make every effort to renew your license well before your expiration date of July 31, 2017. Licensed establishments can renew their license up to 90 days prior to the expiration date. We sincerely regret any inconvenience that this may create. It is our hope and desire that this upgrade will enable us to serve all of our liquor establishments with greater efficiency and ease.

If you are unable to renew your license on line or need any further assistance, please call our help line at 603-271-3523. You can also send email communications to [Licensing@liquor.nh.gov](mailto:Licensing@liquor.nh.gov)

Sincerely,  
James Young, Lieutenant
